Thanks for your quick response. I will get with Greg at the first opportunity, probably Monday, and give him your information. I will be in touch to coordinate your schedules.

Have a good day!

That doesn't really work for us. The next week is the planning session off-site with our Council for the next years budget. Maybe March would be best.

Mr. Purvis:

I am sorry our meeting today had to be cancelled and I have spoken to Greg, and also Vincent Malotte, regarding rescheduling a meeting. Would Thursday, Feb.18th be a good day for your group? We could meet at the same time and place?

I would appreciate very much if you could let us know, then I will contact the other parties who will want to attend.

Thanks you very much. If you have questions, please do not hesitate to give me a call.
